

SAVE THE DATE! 2019 Dare2BDigital Conference & Design Challenge

March 2, 2019 9:30am - 3:30pm
PayPal headquarters, San Jose, CA

www.dare2bdigital.org #dare2bdigital

Dare2B Digital

An exciting day of learning for middle school and high school students, grades 7-10, interested in STEAM (Science, Technology, Engineering, Arts & Math)!

- Become a design thinking ninja
- Experience real-world problem solving
- Work with professionals from top Silicon Valley companies

Interactive learning experience

In 2018, industry experts from companies including PayPal, Deloitte, AbbVie and Tesla presented fun and educational problem-solving sessions using design thinking methodology.

- Transportation
- Environment
- Health & Wellness
- Cryptocurrency/Microfinancing
- Media & Entertainment

Win prizes and experiences in the design thinking challenge

Workshops for parents, guardians and mentors

Nurture STEAM interest, skills and career paths.

“Thank you @Dare2BDigital. It was so nice to see kids my age as passionate about technology as I am.”

Sasha Williams, attendee from Carondelet High School
